

About this Course

COURSE INFORMATION

COURSE TITLE: TRAINING THE TRAINER

COURSE LENGTH: 1 MONTH, 100 HOURS

COST OF COURSE: RM25,000

COURSE DATE: SUBJECT TO DEMAND

CONTENT SUMMARY:

This is an extremely comprehensive course. Professionally designed, the course covers all aspects of training a person how to train dogs and teach people.

All subjects are in depth and expansive.

All the modes and methods of dog training are explored and put to the test.

All dog disciplines are considered and special attention is given to the various facets of training:

Dog care (Information a trainer must have)

Obedience and control (From basic to competition level)

Agility (From simple to competition)

Guard dog training (All aspects of manwork are explored)

Search & Rescue (disaster, wilderness, SARDA, jungle)

Tracking and trailing (How to teach, scent picture etc)

Cadaver (Dead body detection both on land and in water)

Tricks and stunts (A large variety are considered)

Search (All search disciplines from explosive detection to tobacco dogs are reviewed) in depth search training covered.

In addition, the training covers aggression, dog problems, giving lessons and briefings, demonstrations.

TEST – Finally the knowledge and skill of the student will be tested and a student must pass to achieve a trainers certificate. Anyone who fails will be given a chance to resit the tests.

If a student fails a second time they will be given an attendance certificate.

ELIGIBILITY:

To enter the course, a student must comply with the following criteria:

Speak English.

Must not have any police record or pending court case.

Preferably like dogs.

Be physically fit.

Be Mentally Sound.

Over 16 years there is no Restriction on Age.

Good Communication Skills would be an asset but not essential.
